## Meet Bug!

Bug is a caterpillar who is afraid of change. Although he feels afraid, Bug secretly dreams of flying. When he feels cautious, you can tuck his wings away in his back. When he feels brave, you can spread his wings to make him fly! Bug's favorite number is 2, his favorite color is magenta, and he loves to read maps. Bug feels shy when meeting new people. Bug feels brave when he tries new things. Bug feels left out when his friends think he doesn't want to play when he's being quiet.
