

Hi friend,

With the school year coming to a close, Team Kimochis has taken a moment to reflect on these last few months. It's been an exciting time to say the least! We've traveled to various states to share the Kimochis love, and to support the implementation and use of the Kimochis System in our schools. We're going into this Summer feeling very optimistic that kiddos who have had social and emotional support from people like yourself will come back next school year refreshed and just as kind, compassionate, and connected as ever!

We'd love to hear how Kimochis has helped you better support your students this school year! If you or someone you know has experienced the magic of Kimochis and would like to share their story, email Kimochis team member Kristin, kristind@kimochis.com.
